“ I'm so saddened by the loss of Aunt Boots (Lois). Although I didn't grow up around her or the Austin family, she always treated me with love and kindness and made me feel like family. I'll treasure her memory forever. She was such a beautiful person inside and out! You always wish after a loved one passes, I wish I could have seen them more, I sure do. I know she will be terribly missed! Sending love and prayers to her family and friends.

I'm so incredibly sorry for your loss. Lois was the best neighbor ever! I enjoyed sitting with her on the porch last summer sharing memories. She was so proud of her children and grandchildren and told me all about the neighborhood since I moved:) What an incredible person!

“ *My condolences to the family. Mrs Austin came up and greeted me at a football game despite not seeing me for more than 20 years as I had moved away in 1980 .I was a child when she last saw me and I was in my late 30s when she saw me again and she knew exactly who I was and I was impressed that she went out her way to speak to me no one hardly does this these days.She was a classy lady.*
