“ *Lynn has been a great friend of mine since high school. I remember him coming back to Appalachia High School to visit during my senior year. He was proudly showing a picture of his lovely wife, Connie, to all his former friends and teachers. He was so in love with her and proudly remained that way throughout their marriage. I never saw him without a huge smile on his face. My heartfelt sympathy to his family. Love and prayers for Connie, his sons and Madelyn.*
