“ *I have known Betty Chloe for many years. Since I was born to be frank. I remember her and Ted visiting with my grandparents and her drinking hot tap water. Odd to a small child but endearing nevertheless. She was a kind and sweet woman and I'm sorry she had to suffer in this way the past few years. You could always count on Betty Chloe to remember holidays with a card and kind words. I'm glad she was a part of my extended family.*
