“ *Miss Charlotte was my Sunday School teacher, and Christmas Play Director at Stonega Calvary Baptist Church, and she had the greatest impact on my early years. She stood as a role model of how a Christian should behave, with a light in her countenance and love in her heart. I would never have become the person I am— finding value in leading by following a life of doing right and choosing the Lord, had I never known her. The first year I was in our Christmas play, I ended up going to the house in Stonega that she and Miss Elizabeth shared, and they had a beautiful white Christmas tree decorated only with blue balls. It still stands as the singular most beautiful tree I've ever seen.*

I send condolences to all of Miss Charlottes relatives and loved ones, because I know what a joyous person you have lost.
