“ Aunt Diane was such a nice, loving person. She loved her children and grandchildren very much. I remember the first time I met her. It was when Uncle Mike brought her home to visit Granddaddy Ennis. She was very shy and a really beautiful young lady. She had this beautiful strawberry-blond hair that flowed around her face. She will be missed by all of her family. May God comfort Shelley, Cassie, Pete and her grandchildren. In Gods loving grace, Debra Humphries-Dove.
