“ To Mrs. Lambert's family: I did not know Mrs. Lambert, and that is my loss. My sister, Jo Stewart, had told me about Mrs. Lambert a few months ago, and I was so impressed, so inspired, by her life. Reading her obituary today, I stand in awe of her life, which makes us all want to be better, doesn't it? Studies show that people of faith live longer and are happier during those long lives, fulfilled and content, putting others first and being Christian examples. God was surely saying, "Well done, my good and faithful servant," when He welcomed Mrs. Lambert with open arms. Do not mourn for her; she is so happy today -- her joy cannot be contained.  
Sincerely -- and with deepest condolences,
