“ *Diana was always one of the sweetest women I ever knew. I can remember being a small child and listening to Diana, Mary, my Mamaw Betty Collins, and my great grandmother Julie Spears talk and laugh for hours. Being in their presence could just make your day better. I know Diana was very sick before she passed but I will never forget her or that amazing laugh she had. I didn't know it when I was little but I know now that Diana and the other ladies I mentioned were some of the most amazing women I would ever meet. Diana I know you are up there laughing that beautiful laugh again*
