“ *Mona and I will always cherish Fairie's visits to our house as well as our visits to her home. We always had a lot of fun joking with each other. We would prepare a dinner for her. Vickie would say, "She doesn't eat very much." But when we gave her a full plate of waffles covered with strawberries and blue berries and peach cobbler as a dessert, she ate every bite and would take home a large portion of peach cobbler. She was a fine lady, wife, and mother. Fairie will be truly missed by all.*
