“ *I am proud to say I never met anyone with the same desire and zeal for a community as Freddy..Freddy always had a positive out look for the kids of Appy....I will always remember the days of playing softball with him and watching him run the bases with his cap in his hand...Thank you Freddy for being my friend.

“ I was wonderfully blessed to first play a lot of softball with Freddy, then serve him at the cancer center for several years, and time with him at the hospital in time before his transition to his next life- He loved his Dawgs and his Dodgers, we talked sports endlessly, about everything good and bad in college and pro sports--Freddy will be missed GREATLY by me and SO MANY OTHERS-My prayers remain for Faye, his family, and his TONS OF FRIENDS--- I was honored to share time with this precious one and my memories will remain until I depart from this Earth - Most sincerely, Ray Spenilla
