“ I am missing you every minute of every day, Mom. Your passing has left a huge void in our lives. Our house is no longer a home without you here.

Thank you for loving us with all your heart. Not a day went by, even when you were in great pain, that you stopped worrying about your family. We are blessed to have had you as our Mom. As I would always tell you, "I love you Mom. Don't you ever forget it."
