“ *Jim was such a pleasant man. I moved to Osaka in 2010 right across from him and Elaine and you just can't get any nicer. My boys helped with his yard work when they were in high school.....that's when he was still doing it himself. I honestly think he was help g them out cause they asked people in the neighborhood for work and he gave it to them. He always smiled and waved. I'm going to miss that smile.*
