“ Jim was a good friend growing up. He always liked motorcycles and built a beautiful Harley Chopper in the Sixties. He will be missed by his classmates from Appalachia and his family. He was a nice person and a great individual to have for a friend.

“ I'm so sorry to hear about Jim's passing. Mickey and I will never forget what a good friend he was to Mickey's dad - Judge Calton. We have such fond memories of spending time together with Jim at the lake - he was always the designated pontoon driver and Judge was the designated martini maker . When Dad (Judge) broke his hip some years ago and until his passing, Jim was always there for him and we are forever grateful. Your family is in our prayers.

*Rest in Peace Jim.*
