“ I am so sorry to learn of the passing of Uncle Joe Bill. I was always told that he was a good friend to me when I was a baby, and I have always had a great deal of love for him in my heart even though we only met again once and that nearly fifty years ago. Prayers are sent to comfort the family.

“ *So sorry to read of the loss of of your wonderful husband, father and grandfather. I have so many precious memories of him from my school years. He was such a great teacher, friend and mentor to all the students at AHS. He always drove our Imboden school bus and was so kind to all the students. I remember all the special times when he made his bus run to Stonega first and he had extra room on the bus he would allow a few of us (Eloise Watkins, Priscilla Stanley, Louise Collier and I) to ride the bus with him to Stonega to take those students home and back to the school to pick up the Imboden gang. This was such a special treat for us. It kept us from having to stand at the school and wait until he made the first run and returned for us. He always opened the bus doors every morning and afternoon with a big smile on his face even on those days when I am sure he didn't feel like smiling. I know he is smiling with the angels in Heaven now. My thought and prayers are with your family during this time.*
