“ Kelsey is gone too soon. I remember she was always the life of the room when we were in school. She could start a conversation with anyone. Always kind and sweet and goofy when she wanted to be. We didnt really hang out or talk much in school but did for a bit after we had graduated. She will be missed dearly!!

“ I remember when we were at a wrestling tourney and PVMS and I had already been in my match so I went outside to grab some drinks from my mom and she followed me and when I turned around from moms car she was right in my face and kissed me and then proceeded to tell me that she really liked me and she thought we should be boyfriend and girlfriend. But then turned around and put in a dip and I was like he'll yeah you dip and she was like you should of known that Larry, I've always dipped. So I proceeded to ask her for a dip and she gave me one. It was just a funny night. Made me smile. Miss & love you KV! 😭😭😭
