“ You will be missed by everyone that you met. I love you baby brother and I found this to be the most fitting picture to show exactly how you felt about nursing and life. I miss you more and more everyday.

Someone had liked a comment I'd made and it alerted me, brought me to here. And I saw your post, Tabby. You're right. Miss him more and more every day. He is irreplaceable. The world is so much darker without him. I took that pic of him. That other image is very fitting for him, too. 💜💔 loveyou.

“ *I hate I couldn't be there, but I tested positive for COVID the day before his services! He was one of the best. The most non-judgemental person that'd help anyone no matter what. He truly will be missed by so many! My heart hurts for everyone suffering from his loss. 😭*
