“ Mr. Munsey taught social studies in 6th grade. I had him the year of Watergate, and he began every day by asking, "What's in the news?" I learned so much from him! I'm sorry for your loss, but I hope you find comfort in knowing that he was an awesome teacher and had a positive effect on so many lives.

“ Mr. Munsey was my 7th grade teacher. One day a young man tapped me on my behind and politely got slapped through the face. When he complained to Mr. Munsey he just told him I was in the right and said he wasn't going to say a thing to me. Go rest high Mr. Munsey. You will be missed.
