“ I was blessed to have a beautiful loving caring Mamaw. I loved to set at the table from the time I was trusted to break green beans and get all the strings off each one enjoying Mamaw and my Momma just talking and laughing and it was such a great feeling to be part of that love and joy you'd feel just being with her. I will cherish all my fond and wonderful memories of Mamaw And her world famous ice tea. Still to this day I've never had a glass of tea that even comes close to hers. She'll tell how to make it but you know it's always gonna taste better when she made it cause it always had that lil secret ingredient that only she could put into it and that was LOVE. I love you and will miss you but during my five minutes I spend with God before bedtime I will be talking your ear off cause I talk to God say my prayers and then I have me a self soothing conversation with Dad Momma Jewel and now you. God has a wonderful collection of Angels. I was setting here earlier thinking well with those that have went home I can see the continuing to have a good ole fashion First Apostolic Church reunion singing and praising God with him in attendance. I can only imagine how wonderful that will feel. Gives me cold chills. I love you Mamaw and you'll always be in my heart and thoughts.

Love your Grand Daughter
