Funeral services will be private.

Tribute Wall

HS

“ He was an amazing person to have known. I can't remember a day he wasn't singing and telling old stories. He made sure all the "children" as he'd call us young ones, had a meal to eat or safe place to stay. He's truly going to be missed by all that he took care of and had love for... You may be gone but you'll forever live in all of your "children" love ya old man, rest easy for me and keep me protected!!

“ Mickey was definitely one in million. He could make ya laugh and drive ya crazy at the same time. Lol. But one thing for sure you had to love him !!!!! My biggest and best memory of my childhood was the way he loved to sing. If ya wanted to be serenaded he could definitely get the job done. He is loved more then he probably knew and will definitely be missed

“ I can't remember a time before I knew Mickey. He was always good to me and loved my kids. Dj and I helped remodel his bathroom when he moved into his house on Callahan. It was 3 days of the funniest pure hell any of us had ever been through but a memory I'll always think of fondly. Prayers for his family and you'll be missed my friend. May you have the peace you so deserve.

“ Michael was a big part of my grade school years. We were sweethearts from 3rd grade through the 7th grade, at Appalachia Elem.

He was something really special in my eyes. We reconnected for a short time after high school but lost touch again soon after. I thought fondly of him through the years and hoped he was happy and well. I am so sorry for his family and friends. I'm sure that he will be sorely missed.
