My darling little Shell has been a lovely gift from God to this family and to the world he created for us. She has lived a godly life and has been an inspiration to so many !!..The pain I feel in knowing her sweet face is not here for me to touch and kiss is not so great that I would have her back on this earth to suffer.. I know that she is right there in heaven with her brother ,Frankie ,her Mimi and all the loved ones that went before her.She has been a God"s blessing and he now wanted her back. I loved her and her wonderful family will continue to honor God and make her so proud..... xoxoxox my little love....
