“ Diane and family,  
*I have such goods memories of Naomi growing up. I remember her red lip stick and chewing gum. She was always fun to be around. I got to visit Naomi and she was telling about being saved and baptized. Even thou I hadn't seen her in years. She had so much happiness, joy and laughing. I can say she is heaven rejoicing with my mother. Just cherish the memories and time that was spent with her. I will be praying for your family. I love you all.*

“ *Diane and family, I am so saddened to hear of your mother's passing. God be with you! My heart just goes out to you! May God ease the pain in your hearts and give you the peace you need. You know the Bible says we are to rejoice at ones passing. As humans sometimes that is hard to do. God has promised to restore by giving new life and body! There is no more pain and suffering in Heaven! To be absent from the body is to be present with God! Know that you are in my thoughts and prayers! I love you dearly and hate to think of you hurting or suffering such a loss! If there is anything I can do for you just let me know! I will continue to lift you up in prayer!*
