“ *I'm so sorry for your loss. Pam was a champion. I worked with her for eight years. She worked hard and smart and brought humor, compassion and kindness to her clients and co-workers alike. In her work with PACE, DSS and Head Start, she helped thousands of people. It's hard to believe she is no longer in the world, doing good. May God bless her soul and send you comfort in your grief. She loved you very, very much.*

“ So sorry for your loss. Pam was such a sweet person. She lived with me and my two girls for about 3 years. She was just like my third daughter; so many memories from the time she was with us. Praying for her family. Such a great loss, but she is with our heavenly father now, singing with the angels. And so wonderful to know we will be with her again.

“ I did Pam’s hair for many years I grew very close to her as everyone around her did. To describe the type of person she was there are no words she was remarkable truly outstanding if you needed confidence she had the perfect words, if you were sad her shoulder was there to lean on, if you wanted to laugh until you cried she was the person to be around. She was a “Mother Hen” in my opinion to say the least. To say this family and community is experiencing a loss is an understatement. Pam was the best I looked forward to her every visit and wished it wouldn’t end. I pray for some sort of peace for her husband and children. May god bless them

*Never we any of us find a more loving, giving friend. Pam was the sister I never had. I will cherish all the fun memories that we had while in school and being invited to her house to spend time with her family. My heart breaks for those she leaves behind; but always remember what she lwft you. Noting but love and more love. If ever there is anything that I can do, just call, holler or yell. I will love and miss her always.. How soon I want to meet her in heaven and pick up right where we always met. I love you guys and am praying for you all.
