“ People often asked if she was my mom. And she kinda was. We went through a lot together, good and bad; hers, mine and ours. Her love for God, her determination and inner strength will carry on forever, and remain a part of Me. Go now, Becky, and be in peace.

“ Becky was a very kind person and witty in her own way. My classes did several music programs with her at Sullivan Elementary. She was my Secret Santa one year and I still use a crafted wooden letter opener that she gave me. 🙏🙏
