Rhonda shared so many things on Facebook with all that was on with her. She had such love for the Lord. Ella has been through so much in the last year and my heart goes out to her and Josh. Rhonda is in peace now and her spirit is waiting for the Lord to give her the new body. Rest my sweet little friend and one day we'll all rise up together.

“ I am Sandy Lawson from Big Stone Gap, Va. Rhonda and I were face book friends. I pray for the family in your time of sorrow. I loved Rhonda and she always had a spirit of love and peace about her. She loved our Lord and Savior Jesus Christ. Her testimony was always so moving and we know beyond a doubt she is resting in the mighty arms of our Lord. Our prayers go out to the family and the many friends she had. May you find peace in the passing of Rhonda. We know that one day we will be together once again.

“ I knew Rhonda when she was a young girl. I remember her as being sweet and full of laughter and fun. Down thru the years our paths didn't really cross until I connected with her on facebook. She was such a fantastic inspiration-full of light, hope, and faith- each time she posted. I know God will keep you close Ella Mae. I'm praying for you Josh, and the rest of your family.

“ *Rhonda was one of the sweetest people I have ever met. She was sweet in school and always remained the same. Anyone who knew Rhonda just HAD to LOVE her. My heart is broke of her passing. She fought hard to live. She is no longer in pain and suffering. I just pray for her Mother, brother and the rest of the family she left behind. May God give YOU ALL peace and comfort.*
