“ So sad to learn of Ron's passing. I met Ron Appalachia at the old restaurant "Drinking from my saucer". He was a good man with a big heart and I had much respect for him. We set around talking about the Bible and life and I loved his wisdom and insight. When I took my GED to get in college to better my life, Ron tutored me in Algebra everyday for 2 weeks and because of Ron I went on to college and became the first in my family to go and graduate. He showed me so much kindness at a time where I wasn't living for the Lord, and because of him and others there at that restaurant I am who I am today! Ron I'll miss you but I know I'll see you again one day! May you rest in peace! You were such an inspiration to me!

“ Sad to hear Ronnie's passing. A good friend growing up at Exeter. Remember the fun times going to the movies and cruising the Country Boy Drive Inn. A kind and friendly to all those who knew him.
Loved playing the piano.

“ This man showed me some chords on a piano many years ago. One of my fondest memories is that when I was a little boy maybe 4 years old, I did not get a treat bag from church and Ronnie gave me his treat bag. He was a teen, but a light to many.
