“ *Gabrielle Johnson,
One of my favorite memories with my papaw took place back when I was only two years old. We had to go to Kingsport and my papaw stop by an ice cream store on the way home. He bought me a big chocolate ice bowl. It was my first ice cream that I ever had and my papaw would always talk about this memory since I was too young to remember it myself. It saddens me greatly to see him pass, but at least I know that he's in heaven with my mamaw and god.*
