“ I will miss you so much dad. You were always there for me and I'll never forget your words of wisdom and funny sayings. You had a knack for calling things out truthfully and you loved your family. My heart is heavy saying goodbye to you but the legacy you have left behind is good and will carry on all because of you. Heaven gained a wonderful soul and someday, we will see each other again. I love you!

“ Bucky:

*I will miss you and your great skill at story telling. Whenever you were around there was never a dull moment as you livened up everything and everyone around you.*

*I think back to the times you would take me to softball games, fishing at Springdale Lake, and even the chance to play softball together on the Salvation Army team in Hamilto for a year or so.*

*I'll miss talking family history with you and will always remember the couple of days tha you, me, and Doogie travelled around Laurel, Pulaskii, East Bernstandt, sand Somerset when I showed you and Doogie cemeteries where ancestors are buried. I will never forget when Doogie asked where we were, your response was "1/2 way between lost and found."*

*I will miss you very much. I love you brother.*
