“ *Charlotte & Family,
We were saddened to learn of the passing of Sam. I had the
privilege of going to Cincinnati Mortuary College with Sam. The first
time that I met him, he let his light shine in our conversation of
believing and trusting in God. May God's blessing be upon the
entire Green family with the challenge that Sam left for family and
friends to follow his example.

“ from Harry Mumpower---I was blessed to be a child hood friend of Sam's. Most vivid is a trip that three of his fellow high school graduates took to visit him and his brother Alan in Cincinnati while he was in school. Jimmy Cornett and I, Sam, and Alan spent hours laughing at dumb jokes, bad hamburgers, and old stores of Appalachia. Baseball the next day to see the Reds was topping on the cake.

A good man, and a good friend. Rest in peace, my friend.

“ To Charlotte, Sammy, Eddie, Lee and the entire Green family. It was my honor and privilege to know Sam on a professional and eventually a personal level. He was an example to me with his dedication to his trade. He never failed to be there for the families he served, and he always treated me with respect. I'm truly sorry for your time of mourning. But I am glad for his time of rejoicing. A class act all the way!

We should all hope and pray to be more like Sam. I have lost a lot of family members but because of the kindness and caring shown by Sam and Charlotte and the entire Green Family it made my loss much easier. Thanks Sam for all you have done, we will miss you greatly but we will all take care of Charlotte. May God richly bless the Green Family!* ”

“ Saw Sammy and Todd eating lunch the other day. They told me about their dad being in the hospital. Told mom about it. Wondered how he was doing this morning. Mom called me a few minutes ago with the sad news. She said, "He was a good man." Charlotte, Todd, Sammy, and the rest of the crew I've never even met, I love you all. That's a great picture of Sam!

“ *The Lord's servant and our first cousin, Sammy Green is now in the presence of Jesus. We mourn his passing and will miss him so much. We cast our care and grief at His feet. A very fond memory is that of Sammy and David traveling overnight to St. Louis to be with our family in the loss of our sister, Jean. They not only traveled a long way but also served as pallbearers at Jean's funeral, something that touched our hearts deeply. Sammy and Jean were very close as our families grew up together. I send my love and prayers to the Green family for peace and comfort in this difficult time.*

“ Back in 2018, my dad, Otis Dorton, was in his final months of suffering pancreatic cancer. One of his last wishes was to make the trip back from Kingsport to his hometown of Appalachia. One of the stops he wanted to make was to see Sam at the funeral home. They knew each other from their childhood days, and he knew Sam could fill him in on what happened to who and what things had taken place in Appalachia over those many years dad had been gone. Sam warmly welcomed us in and sat down with us for a couple of hours. He answered so many questions for Dad, and even though it was sad to know so many People Dad had wondered about had gone on, he was glad to get answers. Sam pulled out several of the huge, hand-written logs of so many souls from long ago, and we saw the names of many of my ancestors that had passed on, some even before my dad was born in 1936. Sam was an important part of one of the most memorable days I have ever had with my dad, and I'll forever remember him and be grateful for his hospitality that day. God bless the Green family in the loss of such a kind man.

“ I have been blessed to know Sam and the Green family since I was the interim pastor at First Baptist in Appalachia. The Green family always showed the Love of Christ to my family. Many times over the years that I would see Sam he always had uplifting words that blessed my soul and strengthened my walk with the Lord. Sam will be truly missed by many. May our Heavenly Father give peace and comfort to Sam’s family.
