

Sandy L. Moore

April 20, 2025

Appalachia, Virginia

Sandy L. Moore, 44, passed away tragically on Easter Sunday, April 20, 2025. Born on August 12, 1980, Sandy was a proud graduate of Appalachia High School. She later attended community college and explored a variety of career paths throughout her life. Sandy ultimately found her passion in pyrography and outdoor crafts, where her creativity and love for nature came to life. She had two beautiful dogs Maple and Locus raised for the past 12-14 years. She cherished them very much.

However, her greatest joy and driving force was always her role as a mother. Her relationship with her son, Jonathan Allen Moore, born April 18, 1998, was the heart and highlight of her life. Anyone that knew her, knew of Jonathan too. Sandy will be most remembered for her unwavering devotion to Jonathan, her artistic spirit, and the deep love she shared with those closest to her.

Two fundamental quotes to share from her often told to Jon:

"What's right, is right" She always tried to take away the option of allowing wrong doing.

"Be thankful that you got the taste" she always had encouragement when a

situation failed, to at least have thanks for that partial experience.
