*I've spent a year living with Shirley's brother Jim and Lou in Derby. I loved my time spent there and enjoyed every second of it. I've spent a lot of time with Shirley talking about basketball and we watched March madness at Granny's house. Shirley was a very special and nice person. May she rest in peace.*

“ I am so sorry for your loss Jerry and family and would have been there had I known! Your Mother was a treasure, as you well know. I am Faye's daughter, Sandra. When I came back to Virginia, even after Mother died, I would go visit your Mother because I loved her dearly. She always told me how you and your family were doing. I knew all about Ashlee and Luke, and felt like they were part of the family. Mother and Shirley sure had good times together. They even visited me in Cincinnati back in the late '80's. What great memories I have of our laughter together.

Please give each other hugs from me and know that you are in my prayers. Your Mother is now free of all pain and suffering and once again reunited with your Dad, who she loved so much.

God Bless You,

Sandra Clark Coleman
