“ Teresa knew I loved pigs, so often she would make me a coloring sheet or a craft that was a pig . She and Tori spent several days at the front desk talking and visiting with people as they entered the building . She will be missed.

“ Teresa was a dear friend of mine. She helped with my wedding in 1981. she was with me when my baby was born. We worked together at St. Marys and at Norton Community Hospital. She will truly be missed but I will see her again one day. She is in a place with no more pain and she is walking around, something she has not done for a while. Keith my prayers are with you and your family. Lots of love Carletta.
