“ There are no words to express how much Bob and I loved Toni. She was an angel on earth. We are going to miss her so very much. She taught me many things. One was to always love unconditionally, and to take good care of each other. I am blessed for having her as my Aunt , and the sadness I feel because we had to say goodbye runs very deep into my soul. Goodbye our sweet Toni..... We will see you again one day. Love, Bob and Cutie

“ We are so sorry for your loss. Toni was a special person sent into our lives. We were with her this past Friday, the 13th helping her get gravel for her driveway. As we were leaving she says, "you a good friend Shirley", as she held her little dog in her arms waving his paw at us and laughing. We are all better persons for having known her. We often talked about Heaven, family, forgiveness. We will miss her in Tuesday Bible Study. She looked forward to that. We sometimes had a language barrier, but we just laughed and tried another word or example to get our meaning. She was always eager to learn. Shirley & Richard Shuler
