“ Words can never express what you meant to me. You were always the BEST listener! We had so much fun together. From Mistti and I getting our hair braided and playing mannequin in the Leggett's department store, to discovering our own made-up word, from the icicle you used to cure my cold, to watching you and Ken slow dance at the beach. I miss you terribly already. But I know that I will forever have another guardian angel looking out for me. I love you Bubby!

“ Our deepest sympathy for the entire family of Velta and especially for Ken. We spent many days for the past 15 years as fellow camper family with Velta we had a lot of good times together at Cherokee Lake. You will be surely missed out dear friend. You have earned your wings so rest high on the mountain until we met again.
