“ *Wanda would do anything she could to help you. I stayed with her as a young child, she was like a second Mom to me. She and my mom Lola Winebarger her sister were together most every day . We miss her more than words can say. She was a wonderful person. I will always remember the talk we had last time we seen each other. Your words of wisdom cross my mind on a daily basis. I'm thankful we got the chance to talk. I love and miss you. Rest in peace Wanda.*
