“ I am a niece, my first memories of Uncle Bill and Tency were when they lived in the old Tourin bldg. (Misspelled) in Big Stone Gap. They loved each soooo much and I believe "little Bill" was a toddler. He was very good to his family and as a child, I enjoyed being around him!

“ I would like to send my heartfelt condolences to the family. Bill was one of my favorite people at Heritage Hall. I personally did his laundry for many years. Always enjoyed spending as much time with him as possible. We shared a love of old movies. Especially Shirley Temple. May God hold and comfort you in your time of sorrow.

“ *Had many enjoyable moments with him talking sports and also enjoyed working for him at Buckles Super Market back in the late 1970's. He will be missed by all who knew him and worked for him in the day. Truly a great man*
