“ Two Christmases without you and the pain is not any better only worse. I think of you everyday and all our time together. I miss you and love you forever.

“ August 16, 2013 My sweet precious angel, I love you as much today as the day we married. Tomorrow will be your memorial service, which would have also been Mom's 93rd birthday. I know that you are in a better place and not suffering any more and that one day we will be together again, that is one thing that no one can take from us. My heart breaks everyday knowing that you are not here and I cannot talk to you about many things, but I know you are listening to my heart. I know you are already in peace and always know that my love is yours forever. Your wife and as you always called me, "Your Baby Girl." Nancy
